Barium Messenger

VOL. 33 BARIUM SPRINGS, N. C., MAY 1955 NO. 6

Campus Crew Have Busy Year

We had a very successful operation this year in our plant and maintenance work. Last summer due to the excellent weather we were able to complete most of the projects that were assigned to us and to do so in record time. Most of this work was done by students, some painting and carpenter work being done by others hired outside our organization.

We have had an unusual amount of repair work this year in plumbing, heating, and on our electrical system. We made several emergency boiler repairs which were not included on our budget last year. Replacements on plumbing have been very expensive this year due to replacement of valves and rusty piping, and sewerage stop-ups. We are still experiencing quite a bit of trouble with our expansion joints in our steam lines. We see no other way but to replace these expansion joints with loops. During the last two weeks we have replaced six of these joints. The Grinnell Company of Charlotte is continuing to bear the expense and is doing most of the work.

The usual amount of work on doors, windows, and roofs seems to have prevailed this year. During the winter months part of our slack time was taken up in the job of making chests of drawers for the Elementary School Building so that each student may have a separate drawer to store his books and school work. This is one of the things that is being done to meet the A grade requirements for an Elementary School. The lighting in the Elementary School which was also set down as a requirement there has not been bought.

Several times during the summer we were faced with a water shortage. We find that if any repairs have to be made on either one of our pumps we are unable to furnish adequate water for the use of the campus. Each year the water supply in these wells continues to lessen; also, due to a mineral content in two of the wells, the water is almost unusable, and we think it imperative at this time that definite steps should be taken to increase our water supply. Two steps which I have thought about in this connection are - to drill a new well, or to try to drill deeper one of the wells that is believed to have more water in it than we are getting.

The major part of our work during this past summer was done on the following jobs:

General repair work and painting at the Quads, Howard and Lees. Repairs, plastering and painting at the office. Some painting at the Manse. The carpenter shop was painted.

The following homes on the farm property were painted and repaired: The Clendenin House, Claude Stinson House, Walter Williams House, the Troutman Residence, all the buildings at the chicken farm. Also the I. B. White house, the A. M. Calhoun house, and the Lowrance house.

Ply-Seal was applied to the new boiler. The bathroom at Synod Cottage was re-piped and a new waterline from the Quads to Jennie Gilmer was installed.

We did not have as much lawn-mowing last summer as usual due to the dry weather. Recently we have seeded new lawns at the new Manse and at the Lowrance house. We have several large areas at this time that are practically ready to seed, including the grounds surrounding the two cottages and the grounds around our new church building.

Eighteen Seniors Finish High School

Graduation exercises bring to a close this phase of training for thirteen girls and five boys. (All the way through the high school the girls have had the upper hand when it came time to cast their ballots and so have somewhat ruled the smaller number of boys.) This edition of the Barium Messenger carries the picture of the seniors with their mascot. In addition to the three students from the community who will be graduating, the following towns are represented: Winston-Salem, Wade, Fayetteville, Burlington, Wilmington, Red Springs, Cherryville, Marion, Pink Hill, Washington, Charlotte, and Troy.

The various members of the senior class have been in the Home from four to thirteen years. Some entered as freshmen in high school, some in the eighth grade, some in the Elementary School, and three as pre-school children.

Announcements have not yet been made as to who are winners of all the special honors; however, Principal R. G. Calhoun of the high school has announced that Joyce Kelly is the salutatorian and Mary Emma McClure is valedictorian. The annual for the year carries the fact that Mirton Cox is the president, Joyce Kelly is the vice-president, Betty Lou Johnson is the secretary-treasurer, Lois Dellinger is the historian. The mascot is Donnie Bolton, Jr., whose father was at one time a members of the graduating class at Barium Springs.

Speakers Chosen For Commencement

May 15th is Commencement Sunday at Barium Springs. The Reverend Lawrence I. Stell, pastor of the Trinity Presbyterian Church of Charlotte, will be the guest minister of the morning. The hope that the new church would be completed in time for this service cannot be realized and the service will be held in the Elementary School Auditorium. The regular Church School of the morning will be dispensed with in order that the building may be available for the special service of graduation. On Sunday evening the Senior High Fellowship will hold its regular meeting with the graduating seniors in attendance for their last time as regular students of the school. No special speaker will be chosen for this occasion and the students themselves will conduct the service.

The graduating exercises will be held on Monday morning at eleven o'clock. The Reverend Samuel D. Maloney, Professor of Bible at Davidson College, will be the graduating speaker. Those who plan to attend these exercises will note the change from the Monday night ceremony to Monday morning. This change is being made for the benefit of the boys and girls who will be leaving the Home soon after graduation.

In connection with the graduating exercises in addition to the address by Mr. Maloney, there will be the awarding of the medals, the giving of a Bible to each graduate, and the presenting of the diplomas. The present senior class has been predominantly girls from the first year in high school, reaching the fourth year with thirteen girls and five boys. These eighteen students stand ready to begin a new part of their life in some new place.

Juniors Stage Banquet And Dance

On the evening of April 26 the junior class honored the senior class with a banquet and dance. The dining room was decorated in night club theme designed and created by the juniors. The theme picture showed a silhouetted couple dancing on a patio with lanterns hanging on each side for the background.

Clusters of gay balloons and silver stars were suspended from the ceiling. Yellow tapers, and arrangements of Dutch-Iris and yellow tulips were used for table decoration.

Charles Creech, president of the junior class, welcomed the guests. Mirton Cox, president of the senior class, gave the response.

One of the highlights of the evening was Claude Littles' Orchestra from Mooresville. It was the first orchestra ever to play at a junior-senior banquet at Barium and it contributed much to the success of both the banquet and the dance. During the banquet, the orchestra played soft music, lending realism to the night club atmosphere.

Mary Emma McClure and Lois Dellinger played delightful selections at the piano.

The three-course dinner was served by members of the sophomore class who were dressed to give character to the night club atmosphere.

Dancing began at nine o'clock in the Johnston gymnasium. A canopy of pastel crepe paper streamers covered the dance floor. The bandstand was decorated with white banisters entwined with ivy.

It was a pleasure to dance to the music of Claude Littles' orchestra and we shall never forget their kindness and generosity in coming to play for us.

The juniors are very grateful to Mrs. McLuen, our home economics teacher, who worked so hard to make our banquet possible and to all the other teachers and workers who so willingly helped.

Shirley Johnson,
Secretary,
Junior Class

Twenty-two Young People Join Church

On Sunday morning, April 10th, twenty-two young people of the Home professed their faith in Jesus Christ and became members of Little Joe's Presbyterian Church. Twenty-one of these boys and girls were received on profession of their faith, nineteen of these twenty-one received the sacrament of Baptism, and one member was received by church letter from Wilmington Presbytery.

The name of these boys and girls are: Johnsie Sue Moore, Hartwell Spencer, Jr., John Graham Blake, John Curtis Bolton, Herbert Adrian Cochrane Samuel Clinton Coley, Earl Corbett, Shelby Jean Faulk, William Brent Harrision, Nancy Martin Joyner, Virginia Mae Kiser, Robert Lacy Lentz, Charles Edwin McLean, Claudette Raye Merritt, Mary LaGrand McEwen, Robert Carroll Ramsey, Helen Spencer, Jacqueline Cornelia Taylor, Linda Louise Utsman, Jesse Richard Ward, Wayne Gaston Wright, Tommy Lee King.

It is an impressive scene to see the large group of boys and girls publicly declare their intention to love and serve Jesus Christ. The people of the Synod of North Carolina are called upon to offer an especial prayer for these boys and girls as new members of the Presbyterian Church.

Some of them will be attending college, some of them will be entering the Service, some will be entering nurse's training, beautician training, X-ray technican training, and other chosen vocations.

WOULD YOU LIKE TO HELP?

Would you like to help send a boy or girl to Junior Camp, Pioneer Camp, or Young People's Conference? Last summer fourteen Juniors, twelve Pioneers, and twenty-four Young People attended the conferences at Camp Grier because the people of the Synod sent in the money to make this possible. Be sure to mark your gift for "Summer Conferences."

Under The Steeple

By Rev. Robert R. Collins

There are two verses of Scripture from the Book of Proverbs which come to me as being most appropiate for this issue of the Messenger which features our seniors. The advice given by the writer of this book not only applies to young people who are graduating at this season, but I think each of us would do well to meditate deeply on the meaning of these verses. "Trust in the Lord with all thine heart; and lean not unto thine own understanding." (Proverbs 3: 5,6) If we would apply our hearts unto the wisdom of these words as we travel along the road of life I am confident all of us would discover more of that abundant life which Jesus promised to His disciples.

As the Senior Class approaches that day of Commencement we look upon them with a mixture of emotions. Sadness, joy, and gratitude are all a part of our feeling as we see them prepare to move out and accept a larger responsibility in life. Our sadness is selfish in that we should miss them as we continue our lives in the Home without them day by day. Our joy is real as we anticipate for them the wonderful experiences of reaching new depths of maturity in all phases of life as they lift their part of the world's load. Our gratitude is sincere as we thank God for the privilege that has been ours to have these fine young people as a part of our large "Family" at Barium Springs. From Under The Steeple we watch them step out with prayer that God's love may ever be real to them through fellowship with His Son, Jesus Christ, and that because of His presence in their hearts they may have the satisfaction of His guidance throughout the coming years.

The Pioneer Fellowship recently enjoyed a visit from the Pioneer group of the Thomasboro Presbyterian Church in Charlotte. Our Senior High Fellowship profited from the visit of the Presbytery Council's Deputation Team that came to our campus several weeks ago. A farewell party given by the S. H. F for the Seniors and a visit by our Pioneers with those of the First Church Statesville are highlights of social activities in our church group this month. Copies of the daily devotional book, "Remember Now" were presented to the graduates by the Senior High Fellowship.

We begin two weeks of Bible School on May 23rd for all of our boys and girls in the Kindergarten, Primary and Junior departments of our church school. Then it will be camp time, and we shall be

"I give and bequeath to the Regents of the Orphans' Home of the Presbyterian Synod of North Carolina, Incorporated under the laws of the state of North Carolina. (here name the bequest).

Cottage News

Annie Louise

We're back again with the news from Annie Louise.

School will soon be out! O Boy! Then we can start wearing shorts and going barefoot.

The last time we got report cards we had eleven on the honor roll.

The little girls don't know what dreams are, they always have "nightmares".

The first, second, and third graders went to see "Hansel and Gretel" last week. They enjoyed the movie a lot.

Our sandwiches tasted better Saturday night because we got to eat them sitting in the pretty green grass under one of the lovely trees in our yard.

We've had fun playing in our playhouse, cleaning the yard, and working in the flowers now that its getting warm.

The interior of our home has been getting some cleaning. We have been washing windows and varnishing the floors. They look so pretty, we want to keep them that way for a long, long time.

UNDER THE STEEPLE

(Continued From Page Two)

looking forward to those wonderful weeks of Christian Fellowship and fun as we go to Camp Grier during the month of June. Start your planning and packing now, so that you can join us in our study of God's Word in His beautiful world this summer.
